Subject: SCHEDULING REQUEST: America Recycles Markets Steering Committee post-Resource Recycling call

Dear Markets Steering Committee,

I am hoping to have notes from last week's steering committee meeting at Resource Recycling finalized and circulated to you all in the next couple of days. In the meantime, we need to narrow in on a day/time for a follow up call in which we can discuss action items out of Resource Recycling and the plan for the Markets section in the National Framework to Advance the U.S. Recycling System that EPA is drafting, as well as plan for a full Markets workgroup call before the end of September.

Looking at calendars on this end, the following days/time are open:

Friday, 9/6, 11:30 AM-1 PM **yes**, 2-4 PM **from 3:00 to 4:00**
Monday, 9/9, all day **from 11:30 to 2:00 and 3:30 to 5:00**
Tuesday, 9/10, 3:30-5 PM **yes**
Wednesday, 9/11, 9-10 AM **yes**
Thursday, 9/12, 10:30 AM-1 PM **no**
Friday, 9/13, 12-2 PM **no**

Please get back to me with your availability at those times by COB tomorrow, 9/4 so that I can get these meetings scheduled!

Thanks so much,

-Brandon
